Teachapalooza is the place for college journalism educators to catch up, power up and reignite their passion for teaching. A successful virtual gathering in 2020 gave more educators the opportunity to attend, allowed for more guest instructors to tune in and share their wisdom, and provided a unique focus on the art of online teaching

CIRTL Teaching Program

CIRTL was established in 2003 with support from the National Science Foundation. It's mission is to enhance excellence in undergraduate education through the development of a national faculty committed to implementing and advancing effective teaching practices for diverse learners as part of successful and varied professional careers. The UI is among 38 current member institutions throughout the US and Canada. CIRTL at UI is open to graduate students and post-docs from any academic discipline who want to improve their teaching, promote inclusive teaching, assess student progress, and use their research skills to advance their teaching practice.

Associate-Level Certificate • Fall 2020

Practitioner-Level Certificate • in progress

Courses Taught at Community High School District 117

Print and Digital Journalism (Developed from proposal to execution)

Introduction to Print and Digital Journalism (Developed from proposal to execution)
